

Dear Skat Community,

Our Skat WM 2020 is postponed to 2022 for obvious reasons.
The ISPA World board of directors was looking at all options to host the WM this year in Edmonton but unfortunately it's not possible.

We were able to negotiate the same conditions we had for the WM this year with the hotel Chateau Lacombe in Edmonton for 2022.
The new contract between the hotel and ISPA World is in Germany with ISPA World to be approved and signed.

We will publish the new WM dates for 2022 a.s.a.p. on our ISPA World home page.

Thank you for your understanding,
Hans-Jürgen
